Subject: Review of and Concurrence with Reclamation Surety, Ucolo Ticaboo Stockpile
Removal Project, UTU-80036, S/017/0001

Dear Ms. Wolverson:

We have reviewed and determined that a joint financial guarantee of \$34,000.00 for five years as recommended by Utah Division of Oil, Gas and Mining (UDOGM) is adequate to cover the activities proposed in your notice with the following stipulations:

1. You may not proceed with your proposed activities until the financial guarantee is posted and adjudicated by UDOGM and Bureau of Land Management (BLM).
2. This bonding concurrence notice does not authorize any activities beyond those currently authorized.
3. Amendment of this bonding agreement may be necessary if further review or data is developed that justifies such adjustment.

Sincerely,

Sue Fivecoat
Assistant Field Manager
